

Sedute morbide

Socializar, compartir y relajarse.
El mobiliario soft seating permite
crear un espacio para conversaciones
improvisadas y permite dar vida
a zonas del centro educativo
hasta ahora desaprovechadas.

Socializza, condividi e rilassati.
I morbidi mobili da seduta
consentono di creare uno spazio per
conversazioni estemporanee e
consentono di ravvivare aree del
centro educativo che fino ad ora non
sono state utilizzate.
